Was the Founder and President of the Good Guys of Morgan Run, a 501 c, a nonprofit organization for 15 years. Our mission was to give our Iraq and Afghanistan combat wounded men and women a cash grant of \$5,000.00 each to aid these warriors financially. We gave a total of 786 grants during this period. The millions of dollars raised came from local individuals... no corporate money due to the fact we were giving money rather than the preferred merchandise. Our success was because it was the right cause at the right time.
